

CHS Verification Tools Contributors 2024

Following the CHS revision process from 2022 to 2023, CHS Alliance coordinates the update and development of the CHS verification tools to support assessment and improvement process of organisations applying the CHS. The CHS verification tools development process is participatory and involves key people and groups as follow:

Drafting Team: The drafting team brings together representatives from the CHS revision writing group and CHS verification experts with solid experience in using the existing CHS verification framework and expertise in all verification options.

- Jordi Capdevila, *Head of Quality Assurance, CHS Alliance*
- Claire Goudsmit, *Senior Quality Assurance Advisor, Member of CHS revision writing group, Independent.*
- Sarah Kambarami, *Supervisor Auditor, Independent*
- Victoria Lyon Dean, *Head of Quality Assurance, HQAI*
- Bonaventure Gbétoho Sokpoh, *Policy and Outreach Senior Advisor, Member of CHS revision writing group, CHS Alliance.*

CHS Alliance Members' Advisory Group on CHS verification Tools: The Advisory is composed of representatives from a wide range of CHS Alliance members (size, location and types of membership) with solid experience of all CHS verification options.

- Abdullah Al Asri, BFD- Yemen, Yemen
- Gerbrand Alkema, World Vision International, United Kingdom.
- Ramesh Babu, EFICOR, India
- Edward Beswick, Disasters Emergency Committee (DEC), United Kingdom
- Charlie Brown, Danish Refugee Council (DRC), Denmark
- Mayumi Fuchi, Human Appeal, United Kingdom
- Rizwan Iqbal, ACT Alliance, Jordan
- Rehema Kajungu, TPO Uganda, Uganda
- Joram Kibigo, CARE International, Kenya
- Alessia Locarini, Norwegian Refugee Council (NRC), Norway
- Lemma Tesfaye Teketay, Women Empowerment-Action (WE-Action), Ethiopia
