

Resources for Protection from Sexual Exploitation and Abuse (PSEA)

What is PSEA?

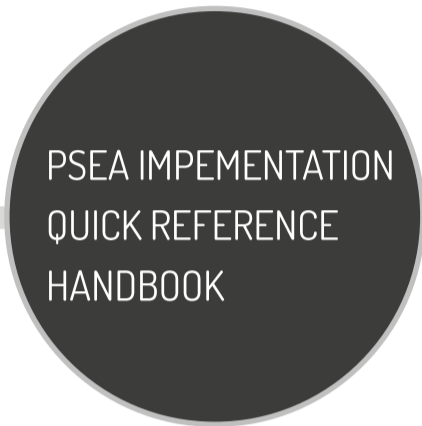

The term refers to measures taken by organisations to protect vulnerable people from sexual exploitation and abuse by their own staff and associated personnel.

What is safeguarding?

The responsibility that organisations have to make sure their staff, operations and programmes do no harm to children and vulnerable adults, and that they do not expose them to the risk of harm and abuse.

Getting started with PSEA

BUILDS UPON

Core Humanitarian STANDARD

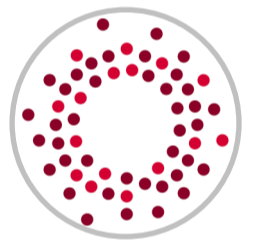

IASC Inter-Agency Standing Committee
Minimum Operating Standards for PSEA

Resources

CHS Alliance's PSEA page with information about the AAP/ PSEA helpdesk and additional resources organised according to the chapter headings of the PSEA handbook.

Bond's safeguarding page gathers essential information, resources and training to support the international development sector to drive up safeguarding standards across their organisations.

A site by IASC where you can explore the subject of PSEA by personnel of the UN, NGOs and other international organisations.

Keeping Children Safe's resource library focuses on issues of child safeguarding.
